Ages 7 to 12

True or False Remix

Have each person come up with three facts about themselves. Two have to be true and one must be false. See if the other members of the family can guess the false fact!

Name Bingo!

For this game you will need a pack of letter cards. Have each member of the family write down their name using it as their Bingo card. It can be just their first name or their entire name. One person “calls out” the letters by flipping the cards over and showing the letter. Who ever crosses out every letter in their name first wins!

Play By the Rules!

For this game you will need to make a small pack of cards numbered 1 through 5. Create a “rule” or “game” to do whenever each card is pulled.

For Example:

1 is pulled – Play categories

2 is pulled – This person has to keep their arm over their head until another 2 is pulled!

3 is pulled – Come up with a silly word that everyone has to say before they say anything else.

This really gives your kids a chance to get creative!
